Dedication

It is with regret that the dedication of this annual coincides with the conclusion of a long and successful career. A career which began in the fall of 1923 with the entrance of a bright young red-head who was destined to fulfill an important role in the development of Edison High School.

Some will remember him as the math teacher from whom students could expect warmth as well as a sound background in subject matter; others, as assistant football coach; or as the golf coach who brought the first city championship to Edison High.

Some of us will remember his firm but kindly counseling and guidance in his major role as assistant principal. All will remember him as a friend.

The personal sacrifices of this man will never be lost, for they are remembered by over 10,000 students who have been given guidance and direction from this able administrator.

It is for these reasons, and a multitude of others which fail to lend themselves to words, that we have gratefully dedicated this Wizard of 1956 to Mr. Eddis Janes.

Good luck to a

Dear Phyllis,
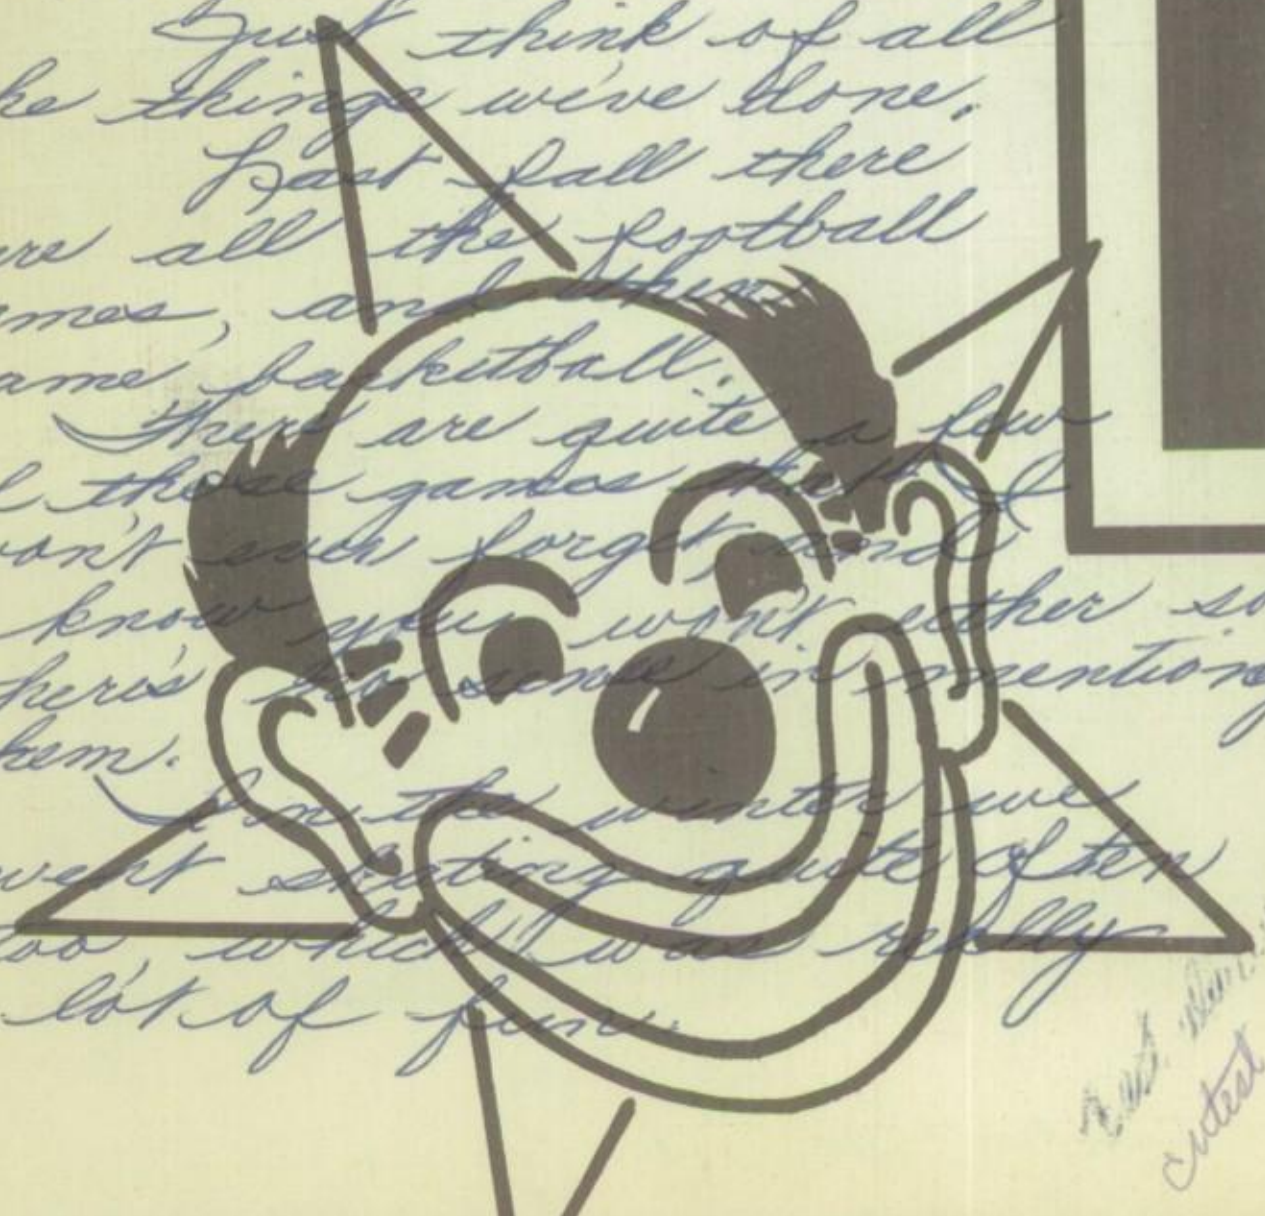
I've really had just loads of fun this year, haven't we? Just think of all the things we've done. Last fall there were all the softball games, and then came basketball. There are quite a few of those games that I don't ever forget and I know you won't either so there's no use in mentioning them. Then the winter we went skating quite often too, which I love really a lot of fun.



Best wishes to the cutest of the four Steins

In the Edison string program there are three groups representing three levels of development. There is a beginning class, an intermediate class, and an advanced class.

The string program is progressing and soon Edison will benefit by an enlarged and more exhaustive string set-up in the surrounding elementary schools. This will mean greater numbers of players prepared over a longer period of time and as a result a better Edison string group.

Progress towards better methods of training is constantly being sought in order to bring about the maximum in thorough string training for all that desire to learn to play a string instrument.

Occasional appearances by the advanced group add variety and interest to the year's work.

The Edison Senior High Choral Department under the direction of Elmer Sodergren, is made up of three divisions: 10th Grade Choir, Tommie Tones, and Choral Club.

The 10th Grade Choir is composed of selected students from the general music classes, and is a training ground for the advanced groups.

The Tommie Tones is a girls' choir limited to 48 voices, selected from the 11th and 12th grades and a few advanced 10th grade students.

The Choral Club is an advanced mixed chorus made up of 11th and 12th grade students. Their work consists of both *a cappella* and accompanied chorus work.

These three groups perform in assemblies and their Christmas and Spring Concerts. The Tommie Tones have sung on TV and also had some exchange concerts. The Choral Club has exchange concerts with city, suburban, and out-of-town high schools, along with its Christmas concert in the lobby of the Radisson Hotel.

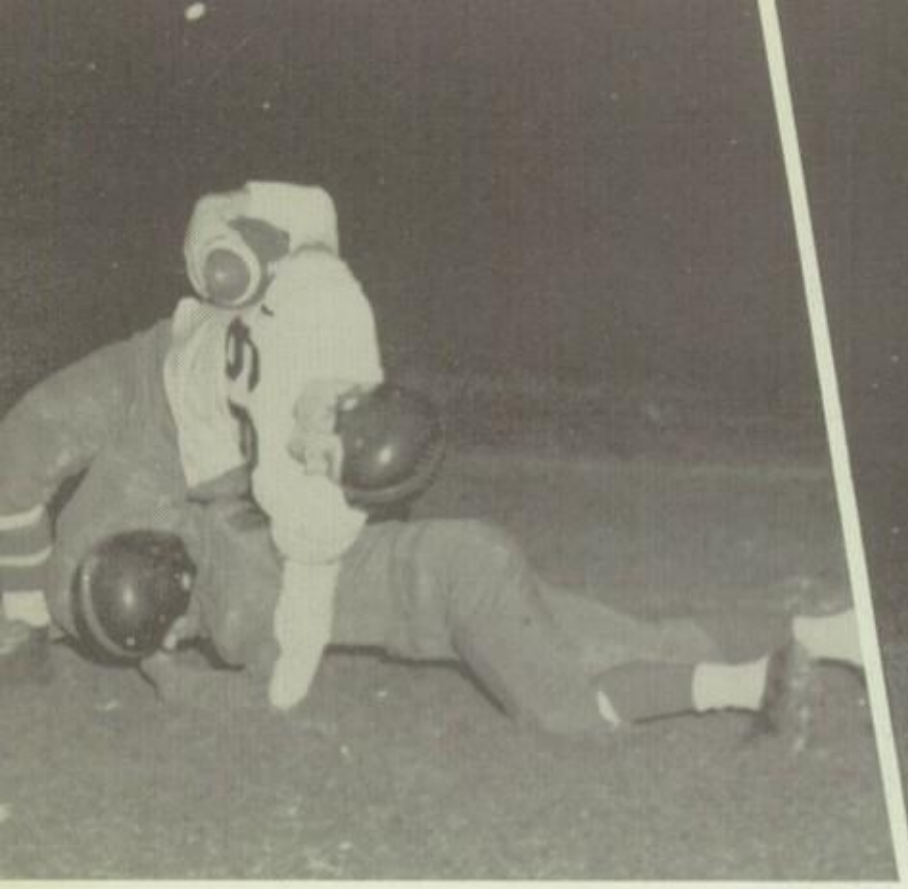
Edison Tacklers close in on Roosevelt ball carrier

J. MELIUS—Tackle



Jerome Anderson stopped by Washburn tackler.

J. Anderson and D. Lubinski stop a Washburn ball carrier.

Although Edison missed winning the city championship, from the standpoint of the squad accomplishments, school spirit, and crowd appeal, this proved to be one of the outstanding football seasons in the history of our school.

After five straight wins featured by a comeback victory over South in the final three minutes 13-7, the Tommies lined up against Henry in the key game of the year with both teams undefeated. Edison bottled up Henry's backs most of the game and won 7-0 on Arnie Lubrecht's long run in the final two minutes of play. This game will long be remembered by the coaching staff, players and spectators.

The final game with Washburn proved an anti-climax when the Tommies were victimized by three long runs for touchdowns. The team and coaches took the disappointment with the same sportsmanship that prevailed during the long hours and days of practice together.

Seventy-three freshman and sophomore boys reported for the sophomore football squad in September. During a season of three wins and one loss, these boys learned the fundamentals which should help them to make the varsity squad next season. Ted Pollack was the outstanding lineman and Ed Roethke proved to be our most versatile back.

Jim Terry, the captain, was the outstanding skier for Edison in the state ski meet as well as for the season. He was tops in all three events: Slalom, Cross Country and Jumping.

When our team took the floor for the first time this season they were figured to be strong contenders for the city title.

Only an upset by winless Central kept the Tommies from a title tie as their only other loss came from Roosevelt who ended the season with a 10-1 record to take the city championship.

In the District 17 playoffs Edison won the first game from Henry but dropped their second game to Washburn by one point on a game-ending free throw.

The team was led by Chuck Pearson, captain and leading scorer, Monvids Vigants, all-city, and Ron Lafond, second team all-city.

The Sophomores ended their season tied for second place with a record of eight wins and two losses. They played their best game in defeating previously unbeaten North 67-52. Edison lost to Washburn and Roosevelt after key players were lost in the final period on fouls. Coach Kottom figures Kondrack, Olsen, Lindow, and Leiviska will be strong contenders for positions on next year's varsity squad.

Wrestling

Because of space shortage, the 1956 wrestling team was limited to five men. At the conclusion of the season, Dale Herdy (154 pounds), John Brecht (95 pounds), and Gary Krause (138 pounds), were awarded runner-up medals in City competition. The team was captained by Vern Barnes. Andy Kollar wrestled at 145 pounds.

Hockey

The Edison Hockey team standings for the season were 3-6-1. They defeated Marshall, Vocational, and Central and battled North to a one to one tie. But the record does not show how hard the team worked. Every victory was a team victory.

Coach Gunberg has an optimistic feeling in regard to next year's season. He has nine returning lettermen and some strong prospects from the sophomore hockey team. The sophomore team had an outstanding season under Coach Reichow.

SWIMMING TEAM—First row: N. Solberg, G. Thompson, R. Laing, D. Crocker. Second row: Coach Bates, W. Weig, C. Lee, L. Halbrooks, R. Nelson.

Swimming

The 1956 Swimming Team had a very unfavorable season. They completed the season without a win. Despite this, Capt. Leif Solberg and squad were in top spirit. The outstanding swimmers for Coach Bates were, Norman Solberg in the Breast Stroke and Leroy Halbrooks in the 200-yard dash.

GOLF TEAM—E. Hansen, B. Holm, D. Mankowski, C. Johnston, P. Evanson, R. Gaffney, D. Trotter.

Golf

The 1955 Golf Team completed a successful season by winning the City Championship for the second time in three years. They went on to capture the District 17 title, the region five title, and third place in the State Golf Tournament. Gene Hansen and Dave Mankowski were the pace-setters for a smooth-working team.

Mr. Leimohn is looking forward to next year with anxiety. He has seven lettermen returning, and it looks like another great year for Edison's Golf Team.

TENNIS TEAM: F. Bracchi, D. Moe, E. Laube, D. Willow, D. Dingman, T. Lee, M. Gustafson, V. Nazarenko, M. Peterson.

Tennis

"Experience is what we lacked," said Tennis coach, Mr. Hamrin. The 1956 Tennis team had only two returning lettermen. The won and lost record showed three wins and six losses.

The 1956 team has five returning men. The outlook for this team is considerably better.

COACH PETE GUZY

The season looked bright for the Edison nine following an opening non-conference win over De La Salle by the close score of 3-2. Lack of control by the pitchers and untimely hitting, however, spelled a disappointing season for Coach Guzy's boys as they ended the season with only one victory in eight conference games.

Gary Polaczyk misses a North pitch.

Red Lyons reaches first safely against North.

Dear Phyllis:
Well here it is the end of another year and what a year. I can really say this has been about ~~my~~ mine and I hope your best year. I hope you and Larry never get mad at each other and that your likness for each other will never end. I wish you all the luck there is to wish in the world. love Sharon

Track

As the 1955 city track season drew to a close, Edison came up smiling. They had made a good showing in spite of their inexperience. The main stays of the team were: Bob Huble, capt., high jump; Bruce Burkholder, pole vault; and Art Solz, shotput.

With the loss of only two men, the outlook for 1956 is very good. The captain-elect for the coming season is Archie Thomas.

Gym Aids — Leadership

Girls who are interested in becoming a gym aid join the leadership class in 10th grade. In this class they receive training in how to conduct a class and they also learn the rules of most major sports. This class meets once a week and after a year of training most of the girls become gym aids. The gym aids help to organize classes, referee games, work with individual girls and squads, and they also assist the physical education teachers.

A wide variety of sports are offered to the girls in physical education classes. The sports vary both with the grade of the class and with the season. The ninth and tenth grade girls have an opportunity to play on an intramural team, thus the competitive program is good.

In ninth grade the girls have physical education every day of the week. Health classes make up about one third of the physical education program.

Teachers — Racket Club

The physical education classes are under the direction of Miss Barton, Mrs. Conover and Mrs. Smith, the latter also has classes in American History.

Racket Club is sponsored by the girls gym and is composed of girls with skills in Badminton and Tennis. In order to become a member a girl must have had one semester of either Tennis or Badminton. Most of the girls picked to play on the inter-school Badminton and Tennis teams belong to Racket Club.

Sports played by the girls include: Field Hockey, which is similar to ice hockey; Baseball; Basketball; Badminton; Tennis; Volleyball; and they also learn folk dancing.

In physical education class the girls build strong, healthy bodies, and develop sportsmanship, which is needed in everyday life.

The Big Show of 1955

Excitement mounted as the "Big Show of 1955" drew near. October 21, was the date of our big homecoming. The assembly, emceed by Larry Fischer, was a tremendous show. The entire auditorium shook with excitement as the five queen candidates were escorted down the aisles. As soon as the candidates arrived on the stage, Larry Fischer unrolled the scroll and after much anticipation announced the Queen, Janet Yates. After everyone settled down, the show continued with alumni performing along with numbers from Nick Huble's band. The football game took place at the Parade Stadium where Edison's football team rolled over Roosevelt 24-14. After the game, alumni and students attended the big homecoming dance where Nick Huble and Denny Murphy's bands entertained us. It was a wonderful ending to a wonderful day.

The 3 rings of a real circus, the 6 rings of this year book; and the multitude of rings which life holds, resemble each other in many ways.

There is, however, one similarity which seems to stand out. Each one, in its own way, seems to possess a great deal of variety. So by using the circus we have attempted to show this variety.

As we now finish this book, we, the staff, almost feel as though we had actually visited the Circus and as we left, we were filled with nothing but fond memories of this book.

Remember the party we had last Spring when it rained? I'm glad that's over with but at least we'll never forget it! We planned a party (or started to) for it tonight. Maybe this summer we can have a big party with all your friends. Sure hate to leave you all so long but I want to wish you all the luck in the world in the years to come.
